“MORE GROWTH FOR DHH INSURANCE”

The nation’s #1 agency insuring translators and interpreters

DHH Insurance just became a family business. As the first deaf-owned insurance agency, Gary Meyer has seen incredible growth for his business since 1999. Now his son Jonathan has joined the agency for what promises to be an exciting and innovative future for the company.

Born & Raised in the Rochester Area, Jonathan and his wife Shaheen have moved home to be closer to family. Jonathan is a graduate of Pittsford Sutherland High School and Rochester Institute of Technology. Jonathan intends to infuse his experience, commitment, and energy into the family business. “The customer’s experience is all-important and we intend to take what’s already great at DHH and make it even better,” says Jonathan.

Jonathan spent the past six years climbing the ladder of Hospitality Management with Marriott. Starting in the management training program and ending as a Director of Food & Beverage at the tallest hotel in the U.S. Jonathan learned first-hand how to provide customer service at the highest levels of luxury you can find. “Jonathan’s going to utilize his customer service

skills and knowledge both for DHH and his work with our partner company CH Insurance. The intent is for Jonathan to service current accounts and grow business in our home market of Rochester, NY,” states Gary Meyer.

Gary Meyer has presented at many conferences and currently teaches the Risk Management Insurance program at Gallaudet University. He is the past board president of the Rochester School for the Deaf. Gary Meyer is enthusiastic about the expansion of opportunity for the company as well as the joy of having his son join the business. “DHH has been fortunate to help many interpreters, translators, interpreter agencies, across the country for many years. Having Jonathan as an integral part of our efforts demonstrates our commitment to continue to grow and prosper and extend further benefits and offerings to our current and potential clients, we’re both in your corner” Gary says.

DHH Insurance is part of CH Insurance based in Syracuse, NY. DHH joined CH Insurance in 2005. Under Gary’s direction DHH has started a number of national niche insurance programs specifically developed to meet the unique needs of the target markets. Our expertise in the individual coverage of interpreters and translators as well as interpreting and translation agencies is what sets us apart.
